# Network Doctor Digital Appointment Booking

Providing quality healthcare has always been our mission. Through technology and digital support, we make **appointment booking for network doctors much simpler and more convenient**, providing our customers with a better experience.

AIA

Customers can login to the AIA Connect mobile application to access Doctor's Appointment Booking

❶ Select **"Health"** on the home page.

❷ Select **"Doctor & Hospital"**, then input the appointment booking request and select **"Search"**.

❸ Select the requested doctor from the list, then select **"Book Doctor"** > **"Online Booking in This App"**.

❹ Follow the instructions and input the required information.

❺ Select **"Submit"** to complete the application.

The results will be available within one business day; applications submitted during non-office hours will be handled on the next business day.

HEALTHIER, LONGER, BETTER LIVES
