

SelectWise Designated Hospitals in Hong Kong & Macau

SelectWise Designated Hospital in Hong Kong

To be eligible for semi-private room during confinement in SelectWise Designated Hospitals in Hong Kong, all of the following conditions must be fulfilled: (i) the insured is confined in a SelectWise Designated Hospital in Hong Kong; (ii) all of the attending registered medical practitioners and surgeons who provide medical services during the confinement are network doctors of SelectWise Medical Network; and (iii) the network doctor of SelectWise Medical Network must have submitted the completed Prior-Authorization Request Form for pre-approval of medical expenses on behalf of the insured to the Company, and the Company must have approved such Prior-Authorization Request Form before the network doctor of SelectWise Medical Network provides medical services to the insured.

Alternatively, if all of the eligibility requirements for semi-private room set out above are met, a lower ward class cash benefit will be paid if the insured is confined in a ward class lower than the entitled semi-private room in a SelectWise Designated Hospital in Hong Kong.

When the network doctor of SelectWise Medical Network fills in the Prior-Authorization Request Form for application for pre-approval of medical expenses on behalf of the insured, please be reminded to inform the network doctor of SelectWise Medical Network of the insured's personally preferred room type.

The list of SelectWise Designated Hospitals may be varied, updated and amended from time to time at AIA's discretion, and any change shall be deemed as effective on the date of publication on the Company's website irrespective of whether any separate notice is given. All the claims settlement will be subject to the final bill and the policy terms and conditions.

Please read in conjunction with the relevant policy documents for detail.
