Important Notes

- **"Trustee"**, for the purpose of this document, means AIA Company (Trustee) Limited.
- The **AIA Capital Guaranteed Fund** in this AIA Retirement Fund Scheme (the **"Scheme"**) invests solely in an insurance policy issued by the AIA Company Limited (the **"Insurer"**). Your investments in the AIA Capital Guaranteed Fund, if any, are therefore subject to the credit risks of the Insurer as both insurer and guarantor. Your entitlement to the capital guarantee under the AIA Capital Guaranteed Fund for each calendar year will be subject to your continued investment in the AIA Capital Guaranteed Fund until the end of each calendar year (please refer to the section entitled "Switching Between Funds" of the Principal Brochure of the Scheme for details of how a year is to be defined).
- The **AIA Guaranteed Fund** in the Scheme is a capital guaranteed fund. The guarantor is AIA Company Limited. Your investments in the AIA Guaranteed Fund, if any, subject to the credit risk of the guarantor. Your entitlement to the capital guarantee under the AIA Guaranteed Fund for each year will be subject to your continued investment in the AIA Guaranteed Fund until the end of each year (please refer to the section entitled "Switching Between Funds" of the Principal Brochure of the Scheme for details of how a year is to be defined).
- The **AIA Capital Stable Fund** and **AIA Allianz Capital Stable Fund** do not guarantee the repayment of capital under all circumstances.
- You should consider your own risk tolerance level and financial circumstances before making any fund choices. When, in your selection of fund choices, you are in doubt as to whether a certain fund choice is suitable for you (including whether it is consistent with your investment objectives), you should seek financial and/or professional advice and choose the fund choice(s) most suitable for you taking into account your circumstances.
- In the event that you do not make any fund choices, your contributions made and/or benefits transferred into the Scheme in respect of you will be invested in the default fund choice as set out in the appropriate enrolment form(s).
- You should not base your fund choices on this document alone and should refer to the Principal Brochure of the Scheme.
