

Hong Kong Observation Wheel and AIA Vitality Park Reopen on 21 April 2022 Free Photo Souvenir to Commemorate the Reopening

The Hong Kong Observation Wheel, along with our Principal Sponsor AIA, is pleased to announce the reopening of the Hong Kong Observation Wheel, AIA Vitality Park and AIA Vitality Hub today, 21 April 2022. Located on Hong Kong's iconic Central Harbourfront, the destination helps enrich the lives of Hong Kong people and visitors by providing entertainment and leisure, as well as health and wellness activities for all.

As the largest pan-Asian life and health insurer, AIA is headquartered in Hong Kong and has been operating in the city for more than 90 years. AIA's long-term partnership with the destination demonstrates its unwavering commitment to giving back to the communities in which it operates, and furthers AIA One Billion, its bold ambition to engage a billion people to live Healthier, Longer, Better Lives across Asia by 2030.

To celebrate the reopening of the site, we have lined up an array of activities that are perfect for people of all ages!
