It is not, and does not form part of, a contract of insurance and is designed to provide an overview of the key features of this product. The precise terms and conditions of this plan are specified in the policy contract. Please refer to the policy contract for the definitions of capitalised terms, and the exact and complete terms and conditions of cover. In case you want to read policy contract sample before making an application, you can obtain a copy from AIA.* This brochure should be read along with the illustrative document (if any) and other relevant marketing materials, which include additional information and important considerations about this product. We would like to remind you to review the relevant product materials provided to you and seek independent professional advice if necessary.

This plan is an insurance plan without any savings element. All premiums are paid for the insurance and related costs.

This brochure is for distribution in Hong Kong only.

### Key Product Risks

1. You need to pay the premium until the end of the cover period immediately following the insured's 65th birthday.
2. You may request for the termination of your policy by notifying us in written notice. Also, we will terminate your add-on plan and you / the insured will lose the cover when one of the following happens:
  - the insured passes away;
  - you do not pay the premium of basic plan and / or this add-on plan within 31 days of the premium due date, whichever is earlier;
  - upon the payment of 100% of the sum assured in the aggregate for claims for Accidental Death and Dismemberment Benefit, and / or Accidental Burns Benefit (both applicable to **Accidental Death and Dismemberment Rider**, and **Simplified Accidental Death and Dismemberment Rider**);
  - the attached basic plan is surrendered, terminated or converted to a non-participating insurance plan; or
  - the end of policy year immediately following the 65th birthday of the insured.
3. When the Accidental Death and Dismemberment Benefit is terminated, the selected Riot and Civil Commotion (RCC) Coverage will also be terminated.
4. We issue the add-on plan and decide your premium based on the insured's occupation class. You must immediately notify us of any change to the insured's occupation, employment, duties and other pursuits once the policy becomes effective; following which, we will recalculate your premium and / or purchasable amount of benefits based on the new occupation class, and pay the claims accordingly. If the change to the insured's occupation,

employment, duties and other pursuits is one that is classified by the Company as not insurable, we will not be liable for any losses sustained pertaining to that occupation.

5. We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, the insured may lose his cover and you may lose the remaining premium for that policy year.
6. You are subject to exchange rate risks for plans denominated in currencies other than the local currency. Exchange rates fluctuate from time to time. You may suffer a loss of your benefit values and the subsequent premium payments (if any) may be higher than your initial premium payment as a result of exchange rate fluctuations. You should consider the exchange rate risks and decide whether to take such risks.
7. Your current planned benefit may not be sufficient to meet your future needs since the future cost of living may become higher than they are today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if we meet all of our contractual obligations.
