## Specific targeted cancer protection • Life insurance

**Cancer Care Essence** is a **critical illness protection insurance plan** with life protection, giving you and your family better protection for the future.

## If the worst should happen

If the insured, who is the person protected under the policy, passes away, we will pay the death benefit to the person whom you select in your policy as beneficiary. The death benefit will be equal to the Current Sum Assured.

Current Sum Assured means the sum assured left after deduction of all advance payment(s) made for the benefits for Carcinoma-in-situ or Early Stage Malignancy, and Cancer from the Initial Sum Assured. The Initial Sum Assured means the protection amount that you have purchased.

If the insured is diagnosed with any covered Carcinoma-in-situ or Early Stage Malignancy, and Cancer, we will pay the benefit amount for the covered illness (see the Covered Illnesses Benefit Schedule).

The advance claims payments made in total for covered illnesses under the policy cannot exceed 100% of the Initial Sum Assured. Any advance payment(s) made will reduce the Current Sum Assured of the basic policy. The premium will also be reduced accordingly. The policy will be terminated upon 100% payment of the Initial Sum Assured.

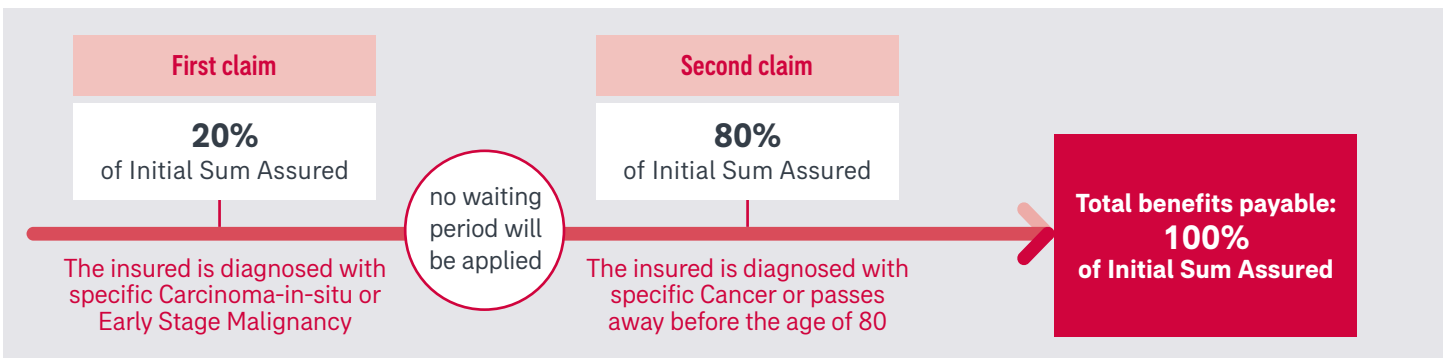

## Guaranteed renewal until the age of 80

**Cancer Care Essence** guarantees that the premium for renewal will not be raised for any claims made, or any changes in insured's health condition. You can renew the cover every year until the insured's age 80. Renewal premium will be based on the prevailing premium for the age of the insured at the time of renewal (please refer to the "Premium Adjustment" under Important Information).

## How do the claims work?

Once the insured is firstly diagnosed with specific Carcinoma-in-situ or Early Stage Malignancy, 20% of the Initial Sum Assured will be payable to the insured. The benefit payment of specific Cancer or death benefit will be reduced from 100% to 80% of the Initial Sum Assured accordingly.

If no advance payment have been made under the plan and the insured is diagnosed with specific Cancer or passes away before the age of 80, 100% of the Initial Sum Assured will be payable.

The policy will be terminated upon 100% payment of the Initial Sum Assured.

### Key Product Risks

1. You should pay premium(s) for this plan till the insured's age 80 as long as you renew for this plan. If you do not pay the premium within 31 days of the premium due date, the policy will be terminated and you / the insured will lose the cover.

3. We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, you may lose your premium paid and benefits.
