Key Product Risks

1. You need to pay the premium for this plan until the end of benefit term. If you do not pay the premium within 31 days of the premium due date, the policy will be terminated and you / the insured will lose the cover.

3. We issue the policy and decide your premium based on the insured's occupation class. You must immediately notify us of any change to the insured's occupation, employment, duties and other pursuits once the policy becomes effective; following which, we will recalculate your premium and / or purchasable amount of benefits based on the new occupation class, and pay the claims accordingly. If the change to the insured's occupation, employment, duties and other pursuits is one that is classified by the Company as not insurable, we will not be liable for any losses sustained pertaining to that occupation.
4. We reserve the right to terminate this policy at any time by giving a 30-day prior written notice to you. Upon termination, our liability is limited to the refund of unearned portion of premium.

6. You are subject to exchange rate risks for plans denominated in currencies other than the local currency. Exchange rates fluctuate from time to time. You may suffer a loss of your benefit values and the subsequent premium payments (if any) may be higher than your initial premium payment as a result of exchange rate fluctuations. You should consider the exchange rate risks and decide whether to take such risks.
