# Accidental Death & Dismemberment Benefit

When an accident happens, you do not want to be worrying about mounting bills, household expenses and mortgage payments. If any of the injuries listed in the Benefits Schedule for Accidental Death & Dismemberment Benefit occurs within 180 days after an accident involving the insured, who is the person protected under the add-on plan, **PAC Select 2** will pay a lump sum Accidental Death & Dismemberment Benefit according to the benefits schedule to help manage expenses.

## Permanent Total Disability Benefit

If an accident leaves the insured who is at the age of 18 or above totally and permanently disabled within 180 days from the date of an accident, and the insured remains totally and permanently disabled for 12 consecutive months, **PAC Select 2** will pay a Permanent Total Disability Benefit, giving much-needed financial support.

When such diagnosed disability has continued for 12 months consecutively, the insured will receive a monthly payment equal to 1% of the sum assured beginning from the 13th month, up to 100 months.

Regardless of the number of accidents and covered losses, provided that the benefit paid under the Accidental Death & Dismemberment Benefit and / or Permanent Total Disability Benefit has not reached 100% of the sum assured, the benefit can still be claimed. After reimbursements of Accidental Death & Dismemberment Benefit and / or Permanent Total Disability Benefit, the sum assured and premium will be reduced respectively.

## **Double Indemnity Benefit**

Accidents can happen anywhere, at any time. In the unfortunate event of death, dismemberment or permanent total disability due to an accident related to any of the following, the sum assured will be doubled under the Double Indemnity Benefit where the insured was:

- a fare paying passenger travelling on marine, land or air public transportation, e.g. ferry, bus, coach, train / MTR, taxi or airplane and etc.
- riding in a passenger-carrying elevator (excluding elevators of a mine or construction site)
- injured in fire in a theatre, public auditorium, hotel, school or hospital
- a pedestrian injured in a traffic accident and / or struck by any motor-driven / powered vehicle
- injured in natural flooding or landslide in Hong Kong or Macau

### PAC SELECT 2

If the worst should happen and the insured passes away, **PAC Select 2** will pay the beneficiary a lump sum amount of 1% of the sum assured as a Compassionate Death Benefit. The payable sum of Compassionate Death Benefit is capped at HK\$/MOP10,000 or US\$1,300 per life for all such policies held with the Company.

To give you additional protection, the Renewal Benefit under **PAC Select 2** will automatically increase the cover for the Accidental Death & Dismemberment Benefit/Permanent Total Disability Benefit by 5% of the sum assured each year during the first 5 policy years capped at maximum 25%, without the need to pay additional premiums. Regardless of the number of policies issued by the Company and AIA Company Limited for the same insured, the total payable sum of Renewal Benefit (also known as "Renewal Bonus" under other Personal Accident Policies) is capped at HK\$/MOP200,000 or US\$25,000 across all applicable policies.

If the insured is a permanent resident of Hong Kong, Macau, or the People's Republic of China, we offer emergency assistance services to the insured anywhere in the world, including:

- emergency medical evacuation and repatriation of remains, with per life limit up to HK\$/MOP5,000,000 or US\$625,000 under all policies held with us and AIA Company Limited covering the same insured
- 24-hour worldwide telephone enquiry services

## Accidental Medical Expenses Reimbursement Benefit

If the insured is injured in an accident, we will reimburse the reasonable and customary medical expenses incurred within 52 weeks after the accident, up to the maximum limit per accident for the insured. A range of necessary medicines, treatments and services are covered.

If the insured who is at the age of 18 or above is hospitalised due to an illness or accidental injury, a Daily Hospital Income Benefit will be payable for each day of hospitalisation, up to a maximum of 90 days for same confinement which is caused by each covered injury or covered illness.

PAC Select 2 allows you to purchase exactly the cover you want. At the time of application, an adult must be between the age of 18 and 70 (for Daily Hospital Income Benefit, the insured's age at policy issue is between the age of 18 and 60), and a minor between 15 days and the age of 17. The benefit term of this plan for Accidental Death & Dismemberment Benefit is up to age 85, for Accidental Medical Expenses Reimbursement Benefit is up to the age of 76, and for Daily Hospital Income Benefit is up to the age of 65, or until the basic plan matures, is surrendered or terminated, whichever is earlier.

The premium payable will be calculated according to the benefits and sum assured. You have to apply for the basic benefits (which include the Accidental Death & Dismemberment Benefit) as a precedent to apply for the optional benefits (which include the Accidental Medical Expenses Reimbursement Benefit and Daily Hospital Income Benefit). The Company reserves the right to revise the premium from time to time.

## A currency that suits you

This add-on plan can attach to any specific basic plan in order to provide a wide range of cover. In addition, the currency of this add-on plan should correspond with the attached basic plan, which may be in US dollars, HK dollars or Macau pataca (if the policy is issued in Macau).
