### Accidental Death Benefit

If the insured, who is the person protected under the policy, passes away due to an accident within 180 days after the date of the accident, **Secure First** will pay a lump sum amount as the Accidental Death Benefit to the person whom you select in your policy as beneficiary. The Accidental Death Benefit payable is equal to the Current Sum Assured.

Current Sum Assured means the protection amount left after deduction of all payments made for Accidental Dismemberment Benefit and / or Permanent Total Disability Benefit from the sum assured.

### Accidental Dismemberment Benefit

We will pay a lump sum cash benefit according to the Benefits Schedule for Accidental Dismemberment Benefit in the unfortunate event that the insured sustains an injury due to accident which results in any loss as shown in the benefits schedule within 180 days after the accident. Upon the payment of the benefit, the Current Sum Assured and the premium thereafter will be reduced accordingly.

### Permanent Total Disability Benefit

If the insured who is at the age of 18 or above becomes permanently and totally disabled within 180 days from the date of an accident, and remains totally and permanently disabled for 12 consecutive months, we will pay a Permanent Total Disability Benefit, giving much-needed financial support.

After permanent total disability has continued for 12 consecutive months, the insured will receive a monthly payment equal to 1% of the Current Sum Assured beginning from the 13th month and continuing up to 100 months (while disability continues), and the premium will be waived during this period.

Upon payment of the benefit, the Current Sum Assured and the premium thereafter will be reduced accordingly.

### Double Indemnity Benefit

In the unfortunate event of the insured's death, dismemberment or permanent total disability due to an accident related to any of the following, we will double the compensation paid for Accidental Death Benefit, Accidental Dismemberment Benefit or Permanent Total Disability Benefit (as the case may be) where, at the time of the accident, the insured was:

- a fare paying passenger traveling on commercially licensed public land transportation over established routes, e.g. bus, tram or train. A taxi or any form of transport chartered for private travel is excluded
- riding in a passenger-carrying elevator, excluding elevators of a mine or construction site
- injured in fire in a theatre, public auditorium, hotel, school or hospital

## Cash Benefit

If you choose to surrender the policy, or the policy lapses due to non-payment of premium or is terminated due to the insured's non-accidental death, you will receive a refund of premiums paid for the policy according to the schedule below:

Number of Completed Policy Years	Refund Percentage of Total Applicable Premiums
1 to 2	0%
3 to 5	25%
6 to 11	30%

Total Applicable Premiums means total premiums paid calculated on an annual basis with no extra premium loading, or the reduced amount of such premiums where they have been reduced due to payment of Accidental Death and Dismemberment and / or Permanent Total Disability Benefits.

## Well Being Program

Starting from the end of first policy year, we will offer medical check-up to the insured annually for 12 consecutive years. Check-up items may be revised from time to time without prior notice.

## Worldwide Emergency Assistance Services

In the unfortunate event that the insured suffers an accident or unexpected illness while travelling outside Hong Kong, Macau or People's Republic of China, where the insured is a permanent resident, we will offer services such as emergency medical evacuation and repatriation of remains up to a HK\$/MOP500,000 per life limit under all policies held with us and AIA Company Limited covering the same insured, and a 24-hour worldwide telephone enquiry service anywhere in the world.

## Key Product Risks

1. You should pay premium(s) on time and according to the selected premium payment schedule. If you do not pay the premium within 31 days of the premium due date, the policy will be terminated and you/ the insured will lose the cover.
2. Should you surrender the policy early, you may receive an amount considerably less than the total amount of premiums paid.
3. We will terminate your policy and you/ the insured will lose the cover when one of the following happens:
  - the insured passes away;
  - the policy is surrendered;
  - you do not pay the premium within 31 days of the due date;
  - upon any payment of the Accidental Death Benefit; or
  - aggregate payments of the Accidental Dismemberment Benefit and / or Permanent Total Disability Benefit have reached 100% of the sum assured.
4. We issue the policy and decide your premium based on the insured's occupation class. You must immediately notify us of any change of occupation. If the change of occupation is the one which is classified by us as not insurable, we shall not be liable to cover any loss sustained pertaining to that occupation.
5. We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, you may lose your premium paid and benefits.
6. Your current planned benefit may not be sufficient to meet your future needs since the future cost of living may become higher than they are today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if we meet all of our contractual obligations.
