As a breadwinner, you will always worry about the wellbeing of your family when mishap unexpectedly happens.

That is why we have specially designed Wisdom Term Life Plan, a life protection insurance plan that provides you and your family with ample protection

In addition, as your need of life insurance may change over time, our Super Lifestage Option provides you with the flexibility to purchase additional term insurance cover at milestone events in your life.

Different options to suit your needs

Wisdom Term Life Plan provides 3 renewal periods for you to choose from: 1 year, 5 years and 20 years. This plan is also available as a basic plan or an add-on plan. Pick one that best suits your needs so that you can plan ahead.

Different premium payment modes (annually, semi-annually, quarterly and monthly) are available for this plan. For add-on plans, the premium payment mode should follow the attaching basic plan.

Protection for your loved ones

If the insured, who is the person protected under the policy, passes away, we will pay the death benefit to the person whom you select in your policy as beneficiary. The death benefit will be equal to 100% of the sum assured.

We will deduct all outstanding amount you owe to us under your policy before we make the payment to the beneficiary.

Super Lifestage Option

You may need better life insurance protection when you enter another stage of life. **Wisdom Term Life Plan** offers you an option to purchase an additional term life insurance plan in the form of add-on plan without requiring further health information upon any of the following milestone events:

- the insured obtains a property mortgage and drawdown the mortgage loan (new purchase of residential property);
- the insured's marriage; or
- the birth of a natural child of the insured (excluding adoption).

You may exercise the Super Lifestage Option:

- a maximum of once per milestone event and any two milestone events for the same insured;
- each purchase of the additional add-on plan must be separated by at least 2 consecutive years;
- after the plan has been in force for 2 years;
- on or before the anniversary of cover immediately following the insured's 60th birthday;
- within 180 days from the date of the milestone events; and
- provided that no claim is submitted to us or has been made under this policy.

The sum assured of each new add-on plan cannot exceed:

- US\$250,000 or HK\$ / MOP1,875,000;
- 50% of the sum assured of this plan; or
- the mortgage loan amount obtained by the insured for the new purchase of residential property.

whichever is lower.

Eligibility of this benefit is subject to underwriting requirements determined by us from time to time.

Terminal Illness Benefit

In the unfortunate event that the insured is expected to pass away within 12 months due to a terminal illness, as confirmed by both the registered medical practitioner in the appropriate medical specialty and our appointed registered medical practitioner, a one-off advance payment, equal to 100% of the sum assured will be paid as Terminal Illness Benefit to help you alleviate the financial burden of medical expenses. The sum assured will be reduced accordingly after the advance payment is paid. The maximum aggregate amount of payment made by us under all terminal illness benefit(s) issued by us will be US\$2,000,000 or HK\$ / MOP15,000,000 for the same insured. Eligibility of this benefit is subject to underwriting requirements determined by us from time to time.

Terminal Illness Benefit is applicable to basic plan only.

Guaranteed Renewal

Wisdom Term Life Plan guarantees that your premium will not be increased because of any changes in your health condition within each renewal period. This cover is guaranteed to be renewable at the end of each renewal period up to the age of 85 of the insured. Renewal premium of next renewal period will be based on the prevailing premium rates for the age of the insured at the time of renewal (Please refer to the "Premium Adjustment" under Important Information).

Conversion Privilege

On or before the anniversary of cover immediately following the insured's 70th birthday, the plan can be converted into a whole life protection insurance plan without requiring additional health information, subject to increase in premium and choices of products then made available for the purpose of this privilege.

The precise terms and conditions of this plan are specified in the policy contract. Please refer to the policy contract for the definitions of capitalised terms, and the exact and complete terms and conditions of cover. In case you want to read policy contract sample before making an application, you can obtain a copy from AIA. This brochure should be read along with the illustrative document (if any) and other relevant marketing materials, which include additional information and important considerations about this product. We would like to remind you to review the relevant product materials provided to you and seek independent professional advice if necessary.

This plan is an insurance plan without any savings element. All premiums are paid for the insurance and related costs.

This brochure is for distribution in Hong Kong / Macau only.

Key Product Risks

1. You need to pay the premium for this plan till age 85; or for this add-on plan until age 85 or when the basic plan it is attached to is terminated, whichever is earlier. If you do not pay the premium within 31 days of the premium due date, the policy will be terminated and you / the insured will lose the cover.
2. You may request for the termination of your policy by notifying us in written notice. Also, we will terminate your policy and you / the insured will lose the cover when one of the following happens:
 - the insured passes away;
 - the Terminal Illness Benefit is paid and the sum assured under this policy is fully paid in advance;
 - you do not pay the premium within 31 days of the premium due date;
 - when you take this plan as an add-on plan of any basic plan which has been terminated or converted to a nonparticipating insurance plan; or
 - anniversary of your cover immediately following the insured's 85th birthday.
3. We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, you may lose your premium paid and benefits.
4. You are subject to exchange rate risks for plans denominated in currencies other than the local currency. Exchange rates fluctuate from time to time. You may suffer a loss of your benefit values and the subsequent premium payments (if any) may be higher than your initial premium payment as a result of exchange rate fluctuations. You should consider the exchange rate risks and decide whether to take such risks.
5. Your current planned benefit may not be sufficient to meet your future needs since the future cost of living may become higher than they are today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if we meet all of our contractual obligations.
6. Total premiums payable may be greater than the sum assured.

Effective from 1 January 2018, all policy owners are required to pay a levy on each premium payment made for both new and in-force Hong Kong policies to the Insurance Authority (IA). For levy details, please visit our website at www.aia.com.hk/useful-information-ia-en or IA's website at www.ia.org.hk.

- the terminal illness is caused by any pre-existing illnesses, diseases, impairments or conditions from which the insured was suffering prior to the policy being issued, unless the insured makes a declaration in the application for the policy, and such application is specifically accepted by us; or
- the terminal illness is the result of or is related (directly or indirectly) to Acquired Immunodeficiency Syndrome (AIDS) or Human Immunodeficiency Virus (HIV); or

- historical investment returns and the future outlook of the product's backing asset
