- after the plan has been in force for 2 years;
- on or before the anniversary of cover immediately following the insured's 60th birthday;
- within 180 days from the date of the milestone events; and
- provided that no claim is submitted to us or has been made under this policy.

The sum assured of each new add-on plan cannot exceed:

- US\$250,000 or HK\$ / MOP1,875,000;
- 50% of the sum assured of this plan; or
- the mortgage loan amount obtained by the insured for the new purchase of residential property.

whichever is lower.

Eligibility of this benefit is subject to underwriting requirements determined by us from time to time.

Terminal Illness Benefit

In the unfortunate event that the insured is expected to pass away within 12 months due to a terminal illness, as confirmed by both the registered medical practitioner in the appropriate medical specialty and our appointed registered medical practitioner, a one-off advance payment, equal to 100% of the sum assured will be paid as Terminal Illness Benefit to help you alleviate the financial burden of medical expenses. The sum assured will be reduced accordingly after the advance payment is paid. The maximum aggregate amount of payment made by us under all terminal illness benefit(s) issued by us will be US\$2,000,000 or HK\$ / MOP15,000,000 for the same insured. Eligibility of this benefit is subject to underwriting requirements determined by us from time to time.

The precise terms and conditions of this plan are specified in the policy contract. Please refer to the policy contract for the definitions of capitalised terms, and the exact and complete terms and conditions of cover. In case you want to read policy contract sample before making an application, you can obtain a copy from AIA. This brochure should be read along with the illustrative document (if any) and other relevant marketing materials, which include additional information and important considerations about this product. We would like to remind you to review the relevant product materials provided to you and seek independent professional advice if necessary.

This plan is an insurance plan without any savings element. All premiums are paid for the insurance and related costs.

This brochure is for distribution in Hong Kong / Macau only.

Key Product Risks

1. You need to pay the premium for this plan till age 85; or for this add-on plan until age 85 or when the basic plan it is attached to is terminated, whichever is earlier. If you do not pay the premium within 31 days of the premium due date, the policy will be terminated and you / the insured will lose the cover.
2. You may request for the termination of your policy by notifying us in written notice. Also, we will terminate your policy and you / the insured will lose the cover when one of the following happens:
 - the insured passes away;
 - the Terminal Illness Benefit is paid and the sum assured under this policy is fully paid in advance;
 - you do not pay the premium within 31 days of the premium due date;
 - when you take this plan as an add-on plan of any basic plan which has been terminated or converted to a nonparticipating insurance plan; or
 - anniversary of your cover immediately following the insured's 85th birthday.
3. We underwrite the plan and you are subject to our credit risk. If we are unable to satisfy the financial obligations of the policy, you may lose your premium paid and benefits.
4. You are subject to exchange rate risks for plans denominated in currencies other than the local currency. Exchange rates fluctuate from time to time. You may suffer a loss of your benefit values and the subsequent premium payments (if any) may be higher than your initial premium payment as a result of exchange rate fluctuations. You should consider the exchange rate risks and decide whether to take such risks.
5. Your current planned benefit may not be sufficient to meet your future needs since the future cost of living may become higher than they are today due to inflation. Where the actual rate of inflation is higher than expected, you may receive less in real terms even if we meet all of our contractual obligations.
6. Total premiums payable may be greater than the sum assured.

Effective from 1 January 2018, all policy owners are required to pay a levy on each premium payment made for both new and in-force Hong Kong policies to the Insurance Authority (IA). For levy details, please visit our website at www.aia.com.hk/useful-information-ia-en or IA's website at www.ia.org.hk.
