Terms & Conditions :

- This leaflet contains general information only. It does not constitute as an offer and/or insurance product recommendation. Customer must complete the Financial Needs Analysis before applying for any insurance product. **The product information in this leaflet is for reference only, which does not contain the full terms of the product. For details of the product features, terms and conditions, exclusions and key product risks, you may refer to the relevant product brochure and policy contract of relevant products. In case you want to read policy contract sample before making an application, you can obtain a copy from AIA. Life insurance policies are long-term contracts of insurance. Should you surrender the policy early, you may receive an amount considerably less than the total amount of premiums paid.** For detailed features, terms and conditions of AIA Vitality, please refer to aia.com.hk/aivitality.
- The Promotion Offers are only applicable to the policies submitted via AIA Financial Planners, AIA's Brokers/Independent Financial Advisors (IFAs) and online application via AIA iShop (if applicable).
- The Promotion Offers are only applicable to the policies issued in Hong Kong or Macau.
- The calculation of the premium refund or discount is only applicable to the standard premium and extra premium due to underwriting (if any) of the New Policy. Apart from the New Policy, the premiums of all other basic plan(s) and/or add-on plan(s) and levy will not be applied for calculating the premium refund or discount amount.
- Each New Policy can only enjoy this promotional premium refund or discount offer once during the Promotion Period. If the New Policy fulfils more than one promotional premium refund or discount offer's requirement, the promotion offer with higher premium refund or discount amount will be entitled.
- The Promotion Offers are not applicable to applicants who have submitted applications before Promotion Period but withdrew the applications or cancelled the issued policies during the Promotion Period and then re-applied for the same products.
- Unless otherwise specified (if any), offers are not applicable to those plans change cases (basic plans or riders, if applicable) from other insurance plans to the insurance plans in this promotion.
- If the policy date of a New Policy is earlier than its application date, the first premium refund may be available beyond the next premium due date after the first policy anniversary.

The Extra Offer is only applicable when same policyholder successfully applies for both AIA Deferred Annuity Plan and AIA Voluntary Health Insurance Scheme (including basic plan, supplementary contract, and AIA Vitality series, if applicable) within promotion period, and that AIA Voluntary Health Insurance Scheme policy is issued on or before 31 May 2022, the AIA Deferred Annuity Plan policy will enjoy the premium refund of extra 5%. If the AIA Voluntary Health Insurance Scheme is a supplementary contract, the supplementary contract must be attached to a new Basic Plan (except Unit-Linked Products) that is applied and submitted within promotion period and issued by 31 May 2022, and such supplementary contract must also be effective by 31 May 2022. Otherwise the AIA Deferred Annuity Plan policy will not have the Extra Offer. The Extra Offer will only be applicable to the AIA Deferred Annuity Plan policy and will not apply to the AIA Voluntary Health Insurance Scheme policy.
- f. The maximum premium refund for each eligible AIA Deferred Annuity Plan policy is capped at 8%.
- g. If the AIA Deferred Annuity Plan policy entitles to the Extra Offer, the AIA Voluntary Health Insurance Scheme policy should remain in-force from the issue date to the time of premium refund. Otherwise the Extra Offer will be forfeited.
- h. Calculation of the Refund on New Policy:

Payment Mode	Premium refund calculation method (calculated by the payment of the latest modal premium of its Basic Plan at the time of premium refund)	
	Base Offer	Extra Offer
Monthly	= monthly premium x 12 x 3%	= monthly premium x 12 x 5%
Quarterly	= quarterly premium x 4 x 3%	= quarterly premium x 4 x 5%
Semi-annually	= semi-annual premium x 2 x 3%	= semi-annual premium x 2 x 5%
Annually	= annual premium x 3%	= annual premium x 5%
