Terms of Use

You acknowledged that AIA Company (Trustee) Limited and AIA International Limited (collectively “AIA”) are the owner of this document. This document shall not be disseminated, redistributed or used in any other manner or purpose by any third party including but not limited to the public, customers or prospects unless otherwise authorised by AIA.

Under no circumstances shall AIA be liable to any user in relation to this document. You agree to indemnify and hold the AIA and their parent company, subsidiaries, affiliates, directors, officers, agents, employees, partners and licensors harmless from any claim or demand made by any third party due to or arising out of this document or any breach of these terms and conditions.

Declaration of Data and Information Collection

The contents of this document were developed by AIA from data or information gathered from internal or external sources. The purpose of this document is for reference only. It does not contain any intention to solicit business. It should not be regarded as any invitation, suggestion or offer. AIA and their intermediaries do not provide any investment advice. While AIA has endeavored to ensure the accuracy, completeness and timeliness of the contents of this document at the time of preparation and/or updating, AIA does not guarantee nor warrant the accuracy, completeness and timeliness of the contents of this document or the original sources of information or data, and AIA accepts no responsibility for any loss and/or damages thereby incurred from the use of this document.

This document contains general information only. It does not constitute as an offer and/or investment advice and/or pension product recommendation and/or service offer or solicitation, purchase and sale of any pension product (including MPF/ORSO/Macau Pension Funds). Do not rely on the contents when making any investment decisions. AIA reserves the right to change any content of this document without advance notices.

Investment involves risks. Before making any investment decision, you should consider your own risk tolerance level and financial circumstances and refer to the relevant offering documents for details (including risk factors and fees and charges). If you have any questions, you should seek independent professional.

This document is not intended to be relied upon as a forecast, research, or investment advice regarding a particular investment or the markets in general, nor is it intended to predict or guarantee the performance of any investment. The information does not take account of any investor’s investment objectives, particular needs or financial situation. You should not consider the information as a comprehensive statement to be relied upon. The views and opinions as expressed therein may vary as the market changes.
